How We Will Calculate Your Balance: We use a method called "daily balance (including current transactions)."

Loss of Introductory APR: We may end your introductory APR and apply the Penalty APR if you make a late payment.

For more information call Citibank, N.A. at 1-877-625-6382 (TTY: We accept 711 or other Relay Service). New York residents may contact the New York State Department of Financial Services at 1-800-342-3736 or www.dfs.ny.gov for free information on comparative credit card rates, fees and grace periods.

Payment Allocation: We may apply the portion of your payments up to your Minimum Payment Due to lower APR balances first, including transferred balances. Generally, any amount paid over the Minimum Payment Due will be applied to your highest APR balances first.

Prime Rate: The variable rates shown here are accurate based on a 7.0% Prime Rate.

[a] We add 11.74% to 21.74% to the Prime Rate to determine the Purchase/Balance Transfer/Citi Flex Plan APR.

[b] We add 22.99% to the Prime Rate to determine the Cash Advances APR.

[c] We add up to 26.74% to the Prime Rate to determine the Penalty APR.

Variable APRs are calculated based on the Prime Rate plus the additional amount shown above. However, these APRs will not exceed 29.99%. This means if a calculated APR exceeds 29.99%, then that APR will be 29.99%. If the calculated APR is equal to or below 29.99%, then that APR will be that calculated amount.

Note: Balance Transfers and Flex Plans are made available at our discretion.

Merchant Classification for Rewards Categories

Merchants are assigned a merchant category code (“MCC”), which is determined in accordance with Visa/Mastercard/American Express procedures based on the kinds of products and services the merchants primarily sell. We don’t control the assignment of these codes and are not responsible for the codes used by merchants. When you use your card to make a purchase, we're provided with an MCC for that purchase. We group similar merchant codes into categories for the purpose of making rewards offers. Sometimes you may expect a purchase to fit within a rewards category, but if the code assigned to the merchant wasn’t grouped into that category, as recognized by Citi, your purchase will not qualify for additional points. For example, you won't earn additional points for purchases at a restaurant located within a retailer if the restaurant is assigned a “retailer” code instead of a “restaurant” code. Please also note - purchases made through mobile/wireless technology may not earn additional points depending on how the technology is set up to process the purchase. We reserve the exclusive right to determine which purchases qualify for additional points.

Self-Select Category

You will earn 3 ThankYou Points for each $1 spent on purchases made in an eligible Self-Select Category of your choice. Self-Select Categories include: Fitness Clubs, Select Streaming Services, Live Entertainment, Cosmetic Stores/Barber Shops/Hair Salon, or Pet Supply Stores.

When your account is opened, the default Self-Select Category is Select Streaming Services. To change your Self-Select Category the primary card member must register for an online account and sign-in at citi.com/selfselect or call 1-800-842-6596 (TTY: We accept 711 or other Relay Service) and choose which Self-Select Category to activate. You may change your Self-Select Category once each calendar quarter (January-March, April-June, July-September, October-December). The change will go into effect the following day at 12:00 AM Central Time. To qualify for 3X ThankYou Points, eligible purchases must be made on the day after a Self-Select Category is chosen to be eligible for the newly selected category. For example, if you changed your category to Fitness Clubs on Monday, you would begin to earn 3 ThankYou Points per $1 spent on Fitness Club purchases made on Tuesday (Central Time). Citi will use the purchase date listed on your statement to determine when the purchase was made. Some merchants will not process a purchase transaction until the merchandise is shipped, this may delay the purchase date on your account. Citi is not responsible for when a merchant processes a transaction.

Only Purchases Earn Points

You'll earn Points for purchases using your Card Account, minus returns and refunds. Balance transfers, Citi Flex Loans, cash advances, checks that access your Card Account, items returned for credit, unauthorized charges, interest and account fees, travelers checks, foreign currency purchases, money orders, wire transfers (and similar cash-like transactions), lottery tickets, gaming chips (and similar betting transactions) do not earn ThankYou Points.
